MOTION FOR SUMMARY JUDGMENT ON INSURANCE COVERAGE

Now into Court, through undersigned counsel, come Plaintiffs, John Thibodeaux, Amy Thibodeaux, and Gabrielle Thibodeaux, who respectfully assert that there are no genuine disputes as to any material fact that the Rockhill Insurance Company Commercial Excess Follow Form Policy:

- 1) Provides coverage for Plaintiffs' Final Judgment against the insured, J.M. Drilling, LLC., in the matter entitled "John Thibodeaux, et. al. vs. Gulfgate Construction, et. al.", Docket No. 2015-4167-B in the 15th Judicial District Court, Lafayette, Louisiana; and
- 2) Rockhill is legally responsible for payment of Plaintiffs' Final Judgment rendered in the underlying state court proceedings since John Thibodeaux's accident of June 9, 2015 is a single "occurrence" which exhausted the "per occurrence" limit of Admiral's underlying liability policy.

Plaintiffs are entitled to judgment as a matter of law against Rockhill Insurance Company that there is coverage under the policy, and, further, that Rockhill Insurance Company be ordered to pay the remainder of the outstanding Final Judgment as referenced above.

As between the Thibodeaux Plaintiffs and Rockhill Insurance Company, Plaintiffs have asserted both a Declaratory Judgment Action and an Enforcement Action regarding its Final Judgment. In regards to these claims by and between Plaintiffs and Rockhill, neither party has

requested a jury trial. If this Court were to grant this Motion for Summary Judgment finding coverage under the Rockhill Commercial Excess Follow Form Policy, it would end this litigation without having to decide the alternative negligent claims against J.M.’s insurance agent, Insight, and insurance broker, Insurisk/CRC, for failure to obtain the appropriate coverage.

Plaintiffs seek judicial determination through Summary Judgement on the following issues:

- I. Rockhill’s Insurance Company Commercial Excess Follow Form Policy provides coverage regarding the claims of the Thibodeaux Plaintiffs (i.e. Plaintiffs’ Final Judgment rendered in the underlying state court proceedings);
- II. The accident of June 9, 2015 injuring John Thibodeaux is a single “Occurrence” (such that Admiral’s payment of \$1 million plus interest and costs exhausted Admiral’s “per occurrence” limit and Rockhill is now legally responsible for the payment of Plaintiffs’ Final Judgment rendered in the underlying state court proceedings); and
- III. Alternatively, if this Court were to find that it was unable to resolve the coverage question in its entirety, then Plaintiffs seek the following individual summary judgment determinations:
 - A. Rockhill’s “Subsidence Exclusion” does not exclude coverage regarding the claims of the Thibodeaux Plaintiffs (i.e. Plaintiffs’ Final Judgment rendered in the underlying state court proceedings);
 - B. Rockhill’s “Residential Contracting-Construction Defect Exclusion” does not exclude coverage regarding the claims of the Thibodeaux Plaintiffs (i.e. Plaintiffs’ Final Judgment rendered in the underlying state court proceedings).

In support of its Motion for Summary Judgment on Insurance Coverage, Plaintiffs attach the following exhibits to this Motion:
